

2010 FBICAAA Membership Options

All persons selected to attend the Phoenix FBI Citizens' Academy become members of the FBI Citizens' Academy Alumni Association (the "FBICAAA") upon successful graduation of the program. Following graduation, new members are placed in an inactive status until they choose to activate their membership and participate in the activities, programs and outreach efforts conducted by the FBICAAA. All Active members of the FBICAAA must maintain a current (within the past 5 years) background certification from the FBI. Beginning in 2010, any Member without a current background certification will be placed in an inactive status pending a successful background re-certification.

The FBICAAA is a tax exempt organization under 501(c)(3) of the Internal Revenue Code supported by its members. Active members may choose one of the following levels of participation:
